

Week commencing 2 February

- From 2 – 6 February (8am to 5pm) we will be carrying out signage installation works under lane closures between East Road and Loders Cross
- From 2 – 4 February (24/7) four-way temporary traffic lights will remain in place at Winterbourne Abbas to allow us to complete ongoing civil work. This work has been extended due to recent flooding in the area.
- From 4–7 February, there will be overnight closures (8pm to 6am) between Northbrook Junction and Stinsford Roundabout, ending on the morning of 7 February. There are no closures on the night of 7 February. A signed diversion route will be in place throughout.

Please also note that temporary traffic lights are currently installed on the A35 at Compton Vallance due to flooding. Groundwater levels are exceptionally high, and the lights will be removed once conditions improve.

Week commencing 9 February

From 9 – 13 February (8am to 5pm) we will have crews working at the following locations:

- Kingston Russell Dips – signage installation under lane closures
- Dorchester Bypass – signage installation under lane closures
- Morcombelake – three-way temporary traffic lights at Shedbush Lane for civils improvement work.
